The New York Academy of Sciences

discover the possibilities...

PepsiCo Day at the New York Academy of Sciences

On **December 8, 2014**, the New York Academy of Sciences and PepsiCo will host a special **Journey through Science Day** at the Academy's headquarters in New York City.

Fifty exceptional students and early career scientists (MS, PhD, postdoc) will be selected for this unique opportunity to interact with PepsiCo's R&D leadership, learn about their efforts to develop products rooted in science-based nutrition, and get an exclusive glimpse of how science has shaped their careers. Additionally, each participant will be asked to present a poster on their research to highlight and share their own activities and interests with PepsiCo.

We are looking to invite individuals with experience in the following key areas:

- **Life Sciences:** Nutrition, Biochemistry, Toxicology, Biology, and Pharmacology
- **Engineering:** Chemical Engineering, Mechanical Engineering, Plastics Engineering, Packaging Engineering
- **Food Science:** Food Science specialties, Agriculture and Analytical Chemistry
- **Material Science:** Material Science, Polymer Science

CALL FOR NOMINATIONS: Deadline Monday, September 16, 2014

We invite you to apply by submitting an application form (found at **www.nyas.org/PepsiCo**) along with your CV or resume to **sciencealliance@nyas.org**. Please title the subject line of your email "**December Career Day**." Travel reimbursement may be awarded on a case by case basis. Check the application form for eligibility requirements before applying.
