Join us for a film screening of

Trauma Warriors

followed by a panel discussion about autism and trauma led by Dr. Valerie Paradiz, director of the Autistic Global Initiative, and Dr. Connor Kerns, Assistant Research Professor at the A.J. Drexel Autism Institute.

Friday, October 14, 2016
6 - 8 pm
Drexel University, Mitchell Auditorium
3128 Market Street
Philadelphia, PA 19104

Free and open to the public
Please RSVP at
http://www.drexel.edu/autisminstitute/news-events/events/
Refreshments will be served.

The 40-minute film features adults with autism as they discuss the effects of trauma in childhood and their survivorship stories as adults. Many people with autism experience trauma and are bullied at school or as adults, harassed at the workplace or in public, often leading them down the difficult path of developing other disorders such as PTSD.
