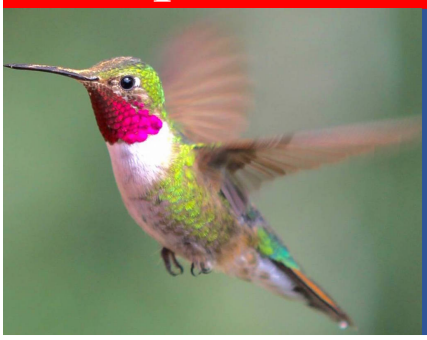
Start Talking Science
Philadelphia 2024

Science History Institute

Chemistry · Engineering · Life Sciences

Explore the Exciting Science of Philadelphia!



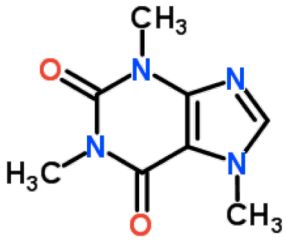
Where: Science History Institute,
315 Chestnut St, Philadelphia, PA

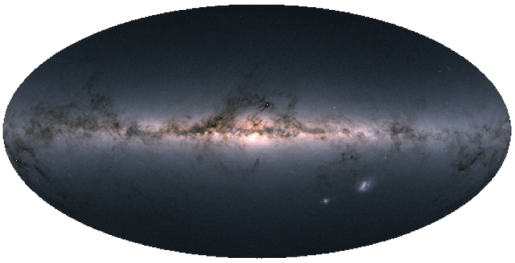
When: Friday 11/1/24, 6-8PM

This is a free event!

- Interested in dark energy? Talk about it with an astronomer.
- Intrigued by cocaine addiction? Discuss it with a neuroscientist!
- Wonder why birds have such colorful feathers? Get answers to questions like that too!

At *Start Talking Science* 2024 you can talk to Philadelphia-area researchers about topics of astronomy, medicine, oceanography and more!





Start talking Science is a free public event where STEM (Science, Technology, Engineering, and Mathematics) researchers present non-technical posters. We aim to increase the public awareness of , and interest in cutting-edge, local research in order to make STEM more accessible. STS fosters insightful conversations and connections while strengthening the communication skills of researchers. Contact: info@starttalkingscience.com
