HANDS ON CREATIVITY

A weekend to explore and learn.
FREE ART DEMOS,
FREE SAMPLES,
DOOR PRIZES
and more!

Saturday and Sunday, October 18 and 19 • 11am-4pm • Plaza Art Philadelphia

ONGOING DEMOS *from 11am - 4pm*

Jacquard
Multi-media expert Alex Preston will be on site showing you how to screen print without inks by using various dyes and discharge paste. Bring the kids and don't miss out on this fun twist to screen printing.

Liquitex Acrylics and Mediums - *the world's most popular acrylics!*
Join us as Liquitex expert Marta Kepman will show and explain the different techniques and uses for acrylic paints and mediums. You will walk away with an understanding of which mediums will take your painting to the next level!

Paper, Paint & Pastels
Sponsored by Canson
Oil on paper, what? You can do that? Check out this revolutionary oil primed paper by Arches. Also try your hand at Rembrandt pastels and the beautiful Mi-Teintes paper.

Gamblin Oil Paints and Mediums
Sponsored by Gamblin Artists' Oil Colors
Gamblin, an American Color House, is the pioneer of studio safety for oil painting. Gamblin artist Aaron Thompson will explore the endless opportunities that Gamblin paints and mediums provide for oil painters of all skill levels!

R&F Encaustic Painting with Ampersand Panels
Sponsored by R&F and Ampersand
Local artist Tremain will demonstrate the techniques of this ancient painting method using encaustic paints, pigment sticks and encausticbord. Be sure to stop by and try this fun medium.

PITT Artist Pens and Polychromos Pencils
Sponsored by Faber-Castell
Mike Grecian will be on hand to demonstrate the versatility of Faber Castell Pitt pens as well as Polychromos and Albrecht Durer colored pencils. These are true artist grade pens and pencils and you have to try them out. Stop by and receive free samples!

Golden High Flow Acrylics
Sponsored by Golden Artist Colors
Come and explore this amazing new product from Golden. The versatility of High Flow will transform your acrylic painting forever! Jim Walsh from Golden will be on hand to answer your questions and show you how awesome this new product really is.

Screen Printing and Block Printing
Sponsored by Speedball
Ever wanted to try your hand at screen printing? Well, now is your chance. Speedball representative Art Arnold will help you make your very own T-Shirt using the Ultimate Diazo kit (while supplies last). Also explore the quick and easy speedy carve carving block and make your own block print. Great for making your own cards for the holidays!

Paper Options
Sponsored by Strathmore Artist Papers
America's largest paper company will demonstrate the many choices they offer for artist to choose the right paper. Tom Brighton from Strathmore will be on hand to explain the differences in their paper and give out samples!

Plaza Studio Acrylics and Princeton Catalyst
Sponsored by Princeton Brush
Tremain Smith will help you discover your unique painting style using Plaza Studio Acrylics and the amazing silicone brush, "Catalyst". You need to try this revolutionary painting tool!

Mat Cutting – Make It and Take It
Join Plaza's own resident picture framing expert Bill Shinskie as he teaches you how to properly cut a mat. Bring your own picture – no bigger than 8"x10" and walk away with a professionally cut mat! Bill will even demonstrate how to mount your photograph to your mat.

Montana Acrylic Markers
Sponsored by Montana
Acrylic paint markers have exploded on the art scene and Montana markers are leading the charge! These makers will cover just about any surface imaginable, but don't take my word for it. Come and see for yourself the amazing versatility of these markers as we cover canvas, acrylic sheets and various paper surfaces.

Plus many more surprises, and best of all, it's all FREE. Try everything, get samples, have a great time.
