interested in
video game development?

Join the Drexel Entrepreneurial Game Studio!

We are seeking students from diverse fields, including, but not limited to: programmers, writers, musicians, visual artists, audio engineers, storytellers, and business entrepreneurs.

No experience is necessary - the only requirement for membership is a demonstrated interest in video game development.

We will be hosting an info session in our studio, located in the back of the ExCITe Center on Tuesday, December 9th at 5:30 p.m.

ENTREPRENEURIAL GAME STUDIO

The EGS is a non-academic professional game studio. Founded by Dr. Frank Lee, the EGS's mission is to provide professional development opportunities, resources, and mentorship to Philadelphia's next generation of tech entrepreneurs.
