Featured Speaker

Dr. Figen Ereş, Professor, Gazi Unviersity

The gender roles and responsibilities attributed to women bring about inequality and discrimination between men and women. The aim of this study is to determine the perceptions of teachers on gender discrimination. This research differs from other studies in that it reflects the perceptions of teachers working at different school types on gender discrimination at schools.

Dr. Figen Ereş is a professor of educational management at Gazi University, Ankara. Her research focuses on education policy and planning and diversity management in education.

About the Global Education Colloquium

The GEC is composed of faculty, students and community members who make global education their central focus for research and teaching, and those who incorporate global and education analysis into their areas of primary pursuit.

GEC events are held every month on the main campus of Drexel University. You are invited to bring your lunch.

Event will be webcast live through the website.
