Maternal and Child Health From Evidence to Practice: An Inaugural Half-Day Symposium

The Department of Community Health and Prevention

presents

MCH Speaker Series & Symposium

This end of year MCH Speaker Series will consist of a half-day symposium dedicated to increasing MCH knowledge and capacity. Keynote speakers will be **Sara Kinsman, MD, PhD**, Director of the Maternal, Child, and Family Health Division of the Philadelphia Department of Public Health and **Rhonda Jackson, MSW,** Public Health Analyst, HRSA, Region III. The symposium will also include an overview of MCH at Drexel DSPH and selected student presentations showcasing exemplar MCH student research projects. The symposium will conclude with a networking reception with students, faculty, and professionals.

* Light refreshments will be available. Registration will begin at 8:30 AM.

RSVP by Monday, May 16th to Renee Davis at Drexel.MCHWG.Davis@gmail.com.
