Photovoice Villaverde, Madrid: A participatory study on food environment through photography

with Manuel Franco

October 14, 2016
12:30-1:30 p.m.
Nesbitt Hall, Room 719

At the corner of 33rd and Market Streets

Manuel Franco, MD, PhD, is Associate Professor in the Division of Epidemiology and Public Health, School of Medicine, University of Alcalá.

Dr. Franco will be speaking on his Photovoice Project, a participatory study by neighbors of an underserved area in Madrid.
