CDRD

COMMUNITY DRIVEN RESEARCH DAY

10TH ANNUAL

Bringing Community Based Organizations and Local Researchers Together

Monday, December 9, 2019 9:00 am - 12:00 pm

Jefferson Alumni Hall, Eakins Lounge
Thomas Jefferson University
1020 Locust St
Philadelphia, PA 19107

THIS YEAR'S THEME:

Partnering for Healthy and Safe Communities

Keynote Speaker
Al Richmond, MSW, Executive Director, Community-Campus Partnerships for Health

COMMUNITY-DRIVEN RESEARCH DAY encourages collaborations between researchers and community based organizations (CBOs) and community groups who have research questions that they are interested in answering, specifically in ways that address social determinants of health. Through an interactive poster session, CBOs and community groups will highlight their questions to CDRD participants, who will include area non-profits, community groups, public sector partners, and researchers from The Children's Hospital of Philadelphia, The University of Pennsylvania, Temple University, Drexel University, and Thomas Jefferson University. CBOs, community groups, academic researchers, and students will be able to meet and discuss potential, mutually-beneficial collaborations.

CALL FOR SUBMISSIONS

CBOs and community groups interested in developing partnerships to conduct research are urged to participate in an interactive poster presentation that will highlight the organization's/group's mission, goals, and major accomplishments. Posters will also display questions that they are interested in answering about partnering for healthy and safe communities.
Submissions are due **Monday, December 2, 2019.**

APPLY TO PRESENT

WEBSITE
