What You Should Know About the New FE Exam Format

"Effective January 1, 2014 there will be a new format for the Fundamentals of Engineering Exam (FE). The new exam will be changing to computer-based testing (CBT) and administered at Pearson VUE testing centers. Exams will be given in 7 free standing discipline-specific disciplines."

Date: November 21, 2013

Time: 5 pm to 6 pm

Place: CAT 061

Co-sponsored by Chi Epsilon and Pi Tau Sigma

Topics covered:

1. What is the FE exam
2. Why take the exam
