PROVISIONAL PROGRAM – SUBJECT TO CHANGE			
Wednesday, March 28			
12:00	Registration Open		
1:00-3:00	Neuroengineering Faculty Seminar Katie von Reyn, Moderator		
3:00-5:00	Undergraduate Design Poster Session Organizers: Joseph Sarver, Marek Swoboda		
5:00-6:30	Keynote - Academic Entrepreneurship: How to Bring Your Scientific Discovery to a Successful Commercial Product Michele Marcolongo Panel Discussion – Entrepreneurship in Academia, Industry, and the Clinic		
6:30-8:00	Design Award Presentation and Networking Reception		
Thursday, March 29			
8:00	Registration Open		
8:30-9:30	Biomechanics	Imaging	Neuroengineering
9:30-10:30	Poster Session I		
10:30-11:15	Keynote Address		
11:15-1:15	Immunoengineering Faculty Seminar Kara Spiller, Moderator		
1:15-2:30	Lunch		
2:30-3:30	Biomaterials	Bioinformatics	Rehabilitation
3:30-4:30	Poster Session II		
4:30-6:30	Pediatric Bioengineering Symposium Sriram Balasubramanian, Moderator Co-hosted with Children's Hospital of Philadelphia		
Friday, March 30			
8:00	Registration Open		
8:30-9:30	Cardiovascular Engineering	Biosignal Processing	Orthopedic Biomechanics
9:30-10:30	Poster Session III		
10:30-12:30	Mechanobiology Faculty Seminar Lin Han, Moderator		
12:30-1:00	Awards presentations, Conference Adjournment
