You Are Cordially Invited to a Webinar!

THE NEXT LEVEL OF CYBERSECURITY

Thursday, June 21, 2018 at 12:00 p.m. EDT

PRESENTED BY:

Steven Weber
Professor and Interim Department Head
Department of Electrical and Computer Engineering
Drexel University

Join Drexel University Online for an informative webinar, that will cover some recent trends in the broad field of cybersecurity, including:

CYBER SECURITY
MEDIA FORENSICS
HARDWARE SECURITY

MALWARE
BLOCKCHAIN AND CRYPTOCURRENCY

NETWORK SECURITY
INDUSTRIAL CONTROL SYSTEM (ICS) SECURITY

In each case, connections will be made to ongoing research and education at Drexel University.
