YOU ARE CORDIALLY INVITED TO A WEBINAR

Dyslexia and Today's Students:

What You Need to Know and be Able to Teach

WEDNESDAY, JULY 25, 2018
3-4 P.M. ET

PRESENTED BY:

Dr. Lori Severino
Associate Professor, Drexel University's Special Education and Applied Behavior Analysis Program

Dr. Janet Sloand
Assistant Clinical Professor, Drexel University's Special Education and Applied Behavior Analysis Program

THIS WEBINAR WILL COVER:

- Dyslexia: What it is and how many students it affects
- Issues facing students with dyslexia in schools
- What you can do as a teacher to support students with dyslexia
- Multisensory Reading Instruction: Wilson Level 1
