Drexel University

Department of Biology

Graduate Research Seminar

Tuesday, September 25, 2018

3:30 PM

Papadakis Integrated Sciences Building, Room 104

Pragati Chengappa

Title: High Intracellular Pressure Inhibits Lamellipodia Formation and Promotes Epithelial Tissue Integrity

Mentor: Ryan Petrie, PhD

Tia Jones

Title: Nuclear Mechanosensing and the Activation of the Nuclear Piston Mechanism of 3D Migration

Mentor: Ryan Petrie, Ph.D.
