

Calling all K-12 Teachers!

Action Learning Conversation (ALC) Workshop

ALC is an approach to effective problem-solving that combines critical reflection with advocacy. Teachers who participate in this workshop will learn about the purpose and structure of ALCs, participate in an ALC, and hear a panel of teachers describe the impact of an ALC on their schools.

If you are interested in teacher *collaboration* and *empowerment*,
this is the workshop for *you*!

RSVP by February 19, 2017: rajashi.ghosh@drexel.edu
