The Opioid Epidemic & the Lifecourse: Policy, Practice, & Prevention

4th Annual Drexel University Dornsife School of Public Health Maternal & Child Health Symposium

Friday, April 26, 2019 | 8:00 AM - 3:00 PM
DiGeorge Auditorium & Atrium, Lower Level
St. Christopher's Hospital for Children, 160 E Erie Ave, Philadelphia, PA 19134

Keynote Speaker: Rachel Levine, MD, Pennsylvania Secretary of Health

Join us for presentations related to the opioid epidemic across the lifecourse from the national, state, and local levels including the community's multi-faceted response in addressing the epidemic.

- The Opioid Epidemic in PA: The Pillars of Prevention, Rescue, and Treatment
- Federal HRSA initiatives & strategies in addressing the epidemic
- Provider panel including all Philadelphia-based Centers of Excellence & NAS treatment/reporting
- Family panel including parents and grandparents caring for children affected by the epidemic
- Role of media in understanding and framing the epidemic
- Community agency & policy panel
- Free naloxone (Narcan) training
- Resource fair and professional networking opportunities

Registration is free and breakfast and lunch will be provided

CME/CEU credits will be provided.
