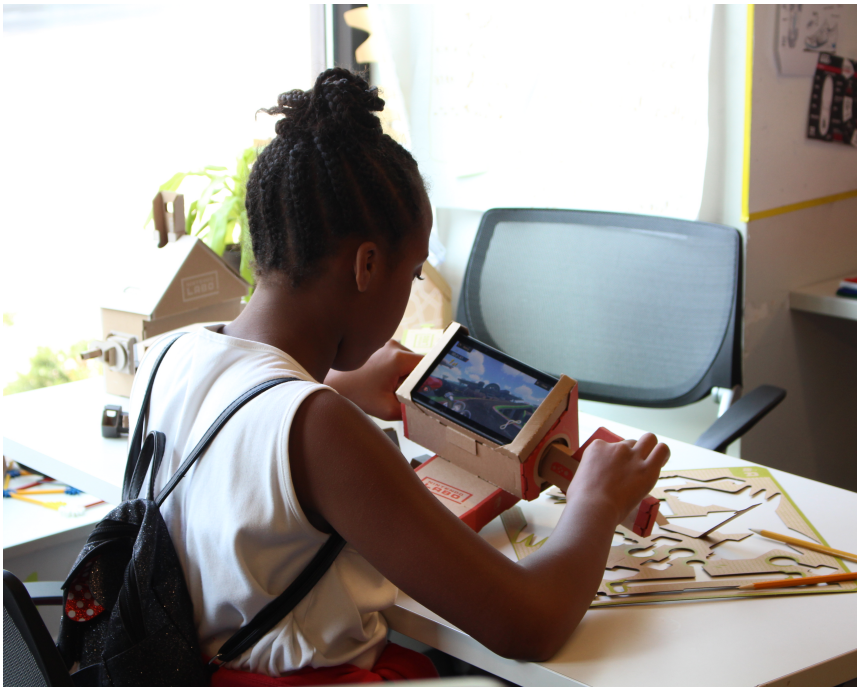
You're invited to the Teachers' Playground



The Teacher's Playground

Come out and join us for food and fun with hands-on instructional technologies. Pre- and in-service teachers are invited to a low-pressure environment and collaboratively play around with kits, such as Makey Makey, Little Bits, Arduinos, LEGO™, and much more. Teachers will have opportunities for playing with technologies, asking questions about use in the classroom, trying out ideas, and signing out equipment for possible classroom use.

When: April 30, 2019

Where: **Drexel University ExCITe Center**
3401 Market Street, Philadelphia, PA
