Drexel University

# Department of Biology

## Graduate Research Seminar

**Tuesday, June 4, 2019**

**3:30 PM**

**Papadakis Integrated Sciences Building, Room 104**

## Bryan Featherstone

**Title: Host Phylogenetic Relatedness Outweigh Environmental Factors in Determining Gut Microbiome Composition of Non-Human Primates**

Mentor: Katy Gonder, PhD

## Linyao Peng

**Title: Strain Variation Shapes Endosymbiont Community Structured and, Possibly Transmission Rates in the Pea Aphid**

Mentor: Jake Russell, PhD
