About us

OMICS International Journals

- 700 Open Access Journals
- 21 Day rapid review process
- 80000 Editorial team, 27000 Reviewers team
- 7.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

OMICS International Conferences

- 1000+ Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

Special Issues

All accepted abstracts will be published in respective OMICS Group Journals

Each abstract will be provided with digital Object Identifier by crossref

About us

The field of Pediatric Gastroenterology and Pediatric Practices is growing rapidly and its development is making tremendous impacts in the arena of Medicine & Health care. The importance and significance can be gauged by the fact that it has made huge advancements over the course of time and is continuing to influence various sectors.

Pediatric Gastroenterology and Pediatric Practices 2016

- Opportunity to attend the presentations delivered by eminent scientists from all over the world
- Selected contributions will be published in following OMICS International Journals
    - Journal of Gastrointestinal & Digestive System
    - Journal of Hepatology and Gastrointestinal disorders
    - Pediatrics & Therapeutics
    - Journal of Pediatric Care
- Participation in sessions on specific topics on which the conference is expected to achieve progress
- Global networking: In transferring and exchanging Ideas
- Conference brings together Academic & Industry experts, Scientific Researchers, Students and Entrepreneurs.

Conference Highlights

- Pediatric Gastroenterology
- Biology of Gastrointestinal Function
- Clinical Pediatric Gastric Problems
- Pediatric Practices
- Pediatric Gastrointestinal Oncology
- Pediatric Gastrointestinal Diseases
- Pediatric Nutrition
- Pediatric Gastrointestinal Diseases Diagnosis
- Pediatric Gastrointestinal Drugs
- Pediatric Gastrointestinal Diseases Treatment
- Pediatric Gastrointestinal Surgery
- Pediatric Practices and Education
- Entrepreneurs Investment Meet

About Philadelphia

Philadelphia is the largest city in the Commonwealth of Pennsylvania, the second largest city on the East Coast of the United States, and the fifth-most-populous city in the United States. It is located in the Northeastern United States along the Delaware and Schuylkill rivers, and it is the only consolidated city-county in Pennsylvania. Philadelphia is the economic and cultural centre of the Delaware Valley, home to over 6 million people and the country's sixth-largest metropolitan area. Within the Delaware Valley, the Philadelphia metropolitan division consists of five counties in Pennsylvania and has a population of 4,008,994. Popular nicknames for Philadelphia are Philly and The City of Brotherly Love.

In 1682, William Penn founded the city to serve as capital of Pennsylvania Colony. By the 1750s, Philadelphia had surpassed Boston to become the largest city and busiest port in British America, and second in the British Empire, behind London. Philadelphia was one of the nation's capitals during the Revolutionary War, and the city served as the temporary U.S. capital while Washington, D.C., was under construction. The city is the centre of economic activity in Pennsylvania, and is home to the Philadelphia Stock Exchange and several Fortune 500 companies.

Philadelphia is known for its arts and culture. The cheese steak and soft pretzel are emblematic of Philadelphia cuisine, which is shaped by the city's ethnic mix. The city has more outdoor sculptures and murals than any other American city, and Philadelphia's Fairmount Park is the largest landscaped urban park in the world.
