DREXEL UNIVERSITY TABLEAU USER GROUP

Join us for our first meeting!

JANUARY 22
1:00PM – 2:00PM

NESBITT HALL
Conference Room 123

Tableau is a user-friendly data analytic and visualization software that allows users to perform complex analytics, create interactive graphs, embed data dashboards on the web, and much more. All students, faculty, and staff are invited to attend – whether you are an experienced user or just interested in new ways to explore or present data!
