READY FOR TED?
SPEAKING WITH CONFIDENCE

How to craft and deliver your message to a group of ten or ten thousand

Learn how to speak in front of an audience from D'Arcy Webb, a.k.a. The Speech Diva, who has helped actors, performers, corporate executives, authors, and speakers use their voices to connect with audiences around the world. D'Arcy trains people to deliver TED Talks and will share these essential strategies with us. This free training is appropriate for faculty and students.

D'Arcy Webb is head of vocal training for Heroic Public Speaking Worldwide, voice and speech teacher for Drexel's Theater Program, and a faculty member at University of the Arts.
