YOU'RE INVITED TO AN UPCOMING WEBINAR!

Using Creativity to Improve Non-Profits and SMB (Small and Medium-Sized Business):

The Importance of a Creative Mindset, Environment, Tools and Action

What exactly is creativity and why is having a Creativity Mindset critical to infusing creativity and innovation into non-profit organizations and SMBs? What does a creative workspace or organization look and feel like? This 45-minute session will provide answers to these questions while providing specific takeaways for business leaders and managers to use to begin developing creative work environments and workforce.

Wednesday, February 17, 2021
12:00 p.m. ET
