Monday, January 25, 2021
12:00 P.M. ET

REGISTER TODAY:
Online.Drexel.Edu/TVOH

Program Director Michelle McHugh will be sharing information and answering questions about Drexel University's online MS in Television & Media Management. This program offers professionals advanced business expertise and insight into programming, audience analytics, media technology, finance, and more from the growing fields of television and evolving media.

Upon graduation, you will be able to manage in television organizations at any level and understand the new media ecology of a global and digital television landscape. Students in the program have been hired by companies such as CNN, Nielsen, Lionsgate, and Glass Entertainment Group.
