Drexel University
Presents

HERstory:

Operation Self-Love, Self-Care, & Story Telling

March 31st 12:00-1:00pm

In honor of Women's History Month this March, Drexel University Office of Equality and Diversity, Office of Veteran Student Services, Drexel Veterans Alumni Network, Task Force Dragon (Army ROTC) and Project Welcome Home Troops present this one hour interactive program.

Join our military-friendly campus community members as we celebrate the story of tenacious women who have served this country and continue to do so as veterans in their communities.

Drexel University is offering 15 Wellness Points for eligible participants who attend this program. To learn more, visit the University's Wellness Incentive Program Website.
