Please join us for a webinar series on important topics impacting community college faculty and staff

Transformative Teaching & Instructional Design in Community Colleges

Tuesday, June 15th at 12 pm ET

This presentation explores how the learning sciences and Mind, Brain, and Education science provide important insight about the human learning process to support teaching and learning. Additionally, innovative approaches to online, blended, and on-campus instruction to meet student learning outcomes will be discussed.

Presenters:

Kristen Betts, EdD, Clinical Professor, Drexel University School of Education
Bill Lynch, PhD, Professor, Drexel University School of Education

Community College Leadership in Changing Contexts: How Multiple Pandemics are Prompting Renewed Purpose

Tuesday, June 22, at 12:00 pm ET

The multiple pandemics of recent years have led to an urgent call to community college leaders for meaningful change and systemic equity transformation. During this panel event, community college leaders will discuss the current context of community colleges and what leadership looks like in the new (ab)normal.

Moderator:

José Luis Chávez, EdD, Clinical Professor, Drexel University School of Education

Panelists:

Davin E. Brown, EdD, Vice President of Student Services, Sacramento City College
Logan Murray, EdD, Project Analyst, California Virtual Campus - Online Education Initiative
Amy Prichard Tutt, Director of Government Relations, Montgomery College
Shamell Jackson, Director of Branch Campus Operations, Delaware County Community College
