Update on PA Medical Cannabis & the Impact of the Opioid Epidemic with Philip Kim, MD

Sponsored by Drexel University's Medical Cannabis Research Center

Philip Kim, MD is the President of the PA Pain Society, the Founder and CEO of the Center for Interventional Pain Spine, LLC, and triple board certified in Anesthesiology, Pain Medicine, and Integrative Medicine. Dr. Kim holds completed his anesthesiology residency and pain fellowship at the University of Pennsylvania and holds a masters degree in functional medicine from the University of South Florida.

Dr. Kim will be speaking on the current state of cannabis policy, practical and evidence-based approaches to medical cannabis for pain, and the impact of medical cannabis on the opioid epidemic.

Wednesday, October 26, 2022
5:00 p.m. — 6:00 p.m. ET
Virtual via Zoom
Zoom link will be sent to all who RSVP
