Drexel FIRST Health Equity Seminar Series

Talk Title: *Inequalities in life expectancy in the Americas*

Please join us for our Health Equity Seminar, featuring Dr. Usama Bilal, Drexel Assistant Professor, Urban Health Collaborative.

In this talk, he will summarize his work describing inequalities in longevity in the US and in Latin America. He will review both spatial descriptions of the inequalities between and within cities, as well as new work describing within-area lifespan variations.

This talk is scheduled for February 16th, 2023, 11am - 12pm in the Health Sciences Building, Room 5W13.

If you plan to attend the seminar in person, please RSVP via the QR code here:

If you plan to attend the seminar via Zoom, please RSVP via the QR code here:
