Learn About the Patient/Physician Relationship When Discussing Medical Cannabis with Ben Cocchiaro, M.D., MPH

Sponsored by Drexel University's Medical Cannabis Research Center

Dr. Ben Cocchiaro is an Assistant Clinical Professor in the department of Family Medicine and Community Health in the College of Medicine at Drexel University. He is also a Co-Investigator on the Drexel University Medical Cannabis Research Center's Registry Study and other Clinical Studies. Dr. Cocchiaro is the former director of medical education and board treasurer at Prevention Point Philadelphia, and has served on the Philadelphia Mayor's Task Force to Combat the Overdose Epidemic. He also given grand rounds at Penn State Hershey on the medical applications of cannabis.

Dr. Cocchiaro will be speaking on the importance of the patient/physician relationship, the medical benefits of cannabis, and some of the potential harms.

Wednesday, May 10, 2023
