Bridging the Gap between Research, Policy & Practice

HMP Speaker Series Welcomes Dr. Katy Kaplan

Director of Grants and Innovations at Community Behavioral Health

Dr. Kaplan has a Master's in education and a Ph.D. in social welfare, both from the University of Pennsylvania. She is currently the Director of Grants and Innovations at Community Behavioral Health (CBH), the Behavioral Health Managed Care Organization for Philadelphia County. In this role Dr. Kaplan is responsible for identifying opportunities through external funding or strategic partnerships with academic, community, physical health managed care or governmental partners that promote innovation and align with organizational priorities.

Her work spans a variety of areas such as integrated care, autism, behavioral health and maternal child health. Prior to joining CBH in January 2016, she was the Director of Human Services and Special Initiatives for Philadelphia Councilman-At-Large Dennis M. O'Brien, where she oversaw the Philadelphia Autism Project. This project continues through a partnership between City Council and the Department of Behavioral Health and Intellectual Disability Services and CBH, under the leadership of Dr. Lindsay Shea.
