Drexel FIRST Health Equity Seminar Series

Talk Title: *Structural Racism and the Place-based Health Inequities: Navigating Challenges and Creating Opportunities*

Please join us for the FIRST Program's Health Equity Seminar, featuring Dr. Mahasin Mujahid, PhD, Professor and Chair of the Epidemiology Department at UC Berkley's School of Public Health. She will present *Structural Racism and the Place-based Health Inequities: Navigating Challenges and Creating Opportunities*.

This seminar series is part of the Drexel FIRST Program, an NIH-funded research initiative focused on fostering inclusive excellence in health disparities research (https://drexelfirst.com/about-drexel-first/). The goal of the seminar series is to provide a forum to discuss and debate exciting work and ideas related to understanding the drivers of health inequities and intervening to eliminate them.

This seminar is scheduled for Thursday, February 8th, 2024, 11AM – 12PM in 3600 Market Street, 7th Floor, Room 709 and via Zoom
