CLIMATE CAFE

May 8, 2024
12:00 - 1:00
Lindy Center for Civic Engagement
3210 Cherry Street
All are welcome

Anxiety and concern about climate change is real and affects many of us, piling up on top of life's other stresses. A climate cafe provides a welcoming, informal ,and private space to share what we're feeling and thinking. All Drexel students, faculty, and staff are welcome to attend.

***** we will not be serving lunch; coffee and tea will be available *****

presented and facilitated by
Drexel Climate & Sustainability
with the Lindy Center for Civic Engagement
