Interested in learning about whether school climate ameliorates or exacerbates the impact of neighborhood crime on academic performance? Join the **EOH Department's and Urban Health Collaborative's Co-Sponsored Journal Club** as we discuss the article "School Climate and the Impact of Neighborhood Crime on Test Scores" by Laurito et al. 2019.

The discussion will be led by EOH PhD Candidate Lisa Frueh.

November 19th, 2024
10:00 am - 11:00 am EST
Nesbitt Hall Room 640 or Zoom

Please email Lisa Frueh (lf649@drexel.edu) to RSVP.
