Join us

for a discussion on how neighborhood food access during pregnancy and early childhood shapes long-term health

Wednesday 3/12/2025
6:30 PM – 7:30 PM EST

Zoom

We will discuss the article
"Neighborhood Food Access in Early Life and Trajectories of Child Body Mass Index and Obesity"

Presented by: Bengucan Gunen, MSPH

Community Health and Prevention PhD Candidate
Vice President, Maternal and Child Health Student Organization

Please e-mail MCH@drexel.edu
for the article and Zoom details.
