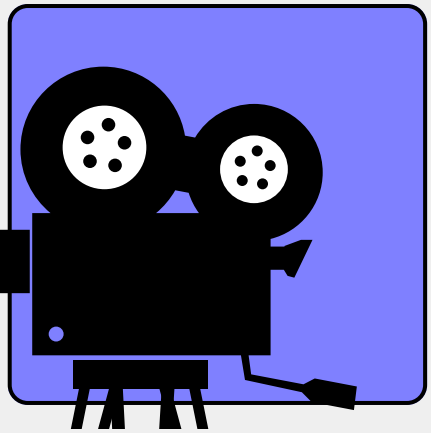
PRESENTED BY
MATERNAL AND CHILD HEALTH STUDENT ORGANIZATION

NATIONAL PUBLIC HEALTH WEEK FILM SCREENING

APR 08 2025
5:30PM - 7:30PM



NESBITT HALL ROOM 719

with a discussion on reproductive health and pregnancy loss, led by Dr. Aasta Mehta

Director of Philadelphia Department of Public Health's Division of Maternal, Child, and Family Health

To attend online, please e-mail **MCH@drexel.edu** for the Zoom link.

We will screen two short movies:

🎥 ***If Everyone Knew –*** A documentary about the often-silenced experiences of baby loss through the stories of women navigating miscarriage, stillbirth, and IVF challenges.

🎥 ***WINN –*** A compelling film that follows Pamela Winn, a formerly incarcerated woman turned activist, as she fights to end the shackling of pregnant individuals in prison after experiencing a miscarriage while incarcerated.
