From Seed to Harvest

College of Engineering Research Seminar Series

Donor-Sponsored Faculty Award Showcase

Please join COE faculty for an afternoon event showcasing and celebrating the investigators who received seed grant funding via the College's Longsview Fellowships, Carleone Faculty Awards, and Grimes Family Faculty Awards. Each of this year's recipients will give a short presentation about their funded project, and last year's recipients will present their project results in a poster session.

May 5, 2025
Hill Conference Room

1:00–2:30PM
Health, Wellness, & Medicine
Renewable Energy & Power

2:30–4:00PM
Resource Stewardship & Sustainability
Smart Cities & Integration
