DSPH EPI & BIOS

International Student Career Panel

Jan 13, 2026 5PM (Virtual)

The EPI & BIOS DEI Committee is hosting a virtual career panel featuring several of our School's esteemed international alumni to share their experiences finding a job and navigating the U.S. job market

Virtual Event! All are welcome!

- Process and timeline for graduating international students
- Drexel resources and support services available to international students
- Panelists' current roles and what their day-to-day work looks like
- Job search strategies that worked for panelists as international students
- Where to find roles (and how to network effectively)
- Practical tips: common pitfalls, lessons learned, and what they'd do differently
- Open Q&A with attendees

Speakers:

- **Tariem Burroughs** - Executive Director External Partnerships @ DSPH
- **Yang Xu BIOS MS '20 PhD '24** - Senior Scientist (Statistician) @ Merck
- **Yazid Barhoush MPH '23** - Biostatistician @ STATinMed
