Advocacy Training

MCH Leadership Workshop

in partnership with the March of Dimes

This focused advocacy training session is designed to equip new advocates with the tools to drive change in Pennsylvania's maternal and infant health landscape. This session demystifies the legislative process in Harrisburg and provides actionable strategies to address critical issues like maternal mortality disparities, behavioral health support, and equitable access to care.

Melissa Patti, LCSW
Director of Maternal and Infant Health
March of Dimes

MON, MARCH 9, 2026
12:00 - 1:00 PM
