DREXEL UNIVERSITY
College of
Medicine
Institute for Molecular Medicine & Infectious Disease

Research Seminar Series

Angela R. Kamer, DMD, MS, PhD

Assistant Professor
Periodontology and Implant Dentistry
New York University College of Dentistry

Inflammation/Infection and Alzheimer's Pathology: The Periodontal Link

Wednesday, August 27, 2014 4:00 pm

New College Building
Geary Auditorium A
245 N. 15th Street, Philadelphia, PA 19102

Co-Hosts:

Garth Ehrlich **Seth Welles**

Research Centers of Excellence

Institute for Molecular Medicine and Infectious Disease

Cancer Biology	Jane Clifford, Ph.D.
Molecular Parasitology	Akhil Vaidya, Ph.D.
Virology & Therapeutics	Timothy Block, Ph.D.
Immunology & Vaccine Science	Peter Katsikis, M.D., Ph.D.
Clinical & Translational Research	Jeffrey Jacobson, M.D.
Molecular & Functional Genomics	Lawrence Bergman, Ph.D. Bacterial
Pathogenesis & Biodefense	Richard Rest, Ph.D.
Neuroimmunology & CNS Therapeutics	Olimpia Meucci, M.D., Ph.D.
Immunogenetics & Inflammatory Disease	Elizabeth Blankenhorn, Ph.D.
Molecular Virology & Translational Neuroscience	Brian Wigdahl, Ph.D.

Brian Wigdahl, Ph.D., Professor and Director 215-762-7598
Betty Condran, Research Program Coordinator bcondran@drexelmed.edu
Institute for Molecular Medicine and Infectious Disease
Rm 18301, New College Building, 245 N. 15th St., Philadelphia, PA 19102
