Aletha Maybank, MD, MPH,
Associate Commissioner,
Center for Health Equity,
New York City Department of
Health and Mental Hygiene

Dr. Maybank will discuss the role of government public health and leadership in addressing health equity. She will talk about the interconnectedness between politics and policy, community engagement, and creating a health equity lens to view and address today's public health issues, specifically the role of health equity in emergency preparedness and the response to the Ebola epidemic.
