## Claudio Cobelli, PhD

Full Professor of Bioengineering, University of Padova, Italy

# Diabetes: Modeling, Signals & Control

## May 23, 2017
## 3:00 pm

**A.J. Drexel Picture Gallery**
**Drexel University Main Building, 3rd Floor**
**3141 Chestnut Street, Philadelphia, PA**

### THE ENGINEERING IN MEDICINE LECTURESHIP

The Engineering in Medicine Lectureship is sponsored by an endowed fund established by Jeff Barrett, PhD, who received his undergraduate degree in Chemical Engineering from Drexel in 1986. The lecture, which will occur annually, will focus on applications for engineering in medicine.
