MS IN RETAIL & MERCHANDISING ONLINE OPEN HOUSE

WEDNESDAY, NOVEMBER 11
12:00 P.M. ET

REGISTER TODAY
Online.Drexel.edu/RMOH

Joseph Hancock, II, PhD, Program Director, will be sharing information and answering questions about Drexel University's online MS in Retail & Merchandising program.

Drexel's online master's program provides a broad overview of the retail and merchandising industry and prepares students to implement innovative solutions in a dynamic global marketplace. Tailored to interests and experience level, the program focuses on areas such as visual merchandising, fashion branding, retail store operations, product development and supply chain management.
