BEES Research Day

Thursday, March 3, 2022

1 p.m to 5 p.m.

Papadakis Integrated Science Building

Light refreshments provided at the end of the event

Call for Posters and Talks
Deadline: February 15

All undergraduate and graduate students conducting research within the BEES Department are invited to present a poster and/or give a 15 minute in-person talk. Poster printing will be covered by the department only when printed at the

Graphics Lab (MacAlister Hall) or the Westphal Print Center (URBN Center, 140).

Please send poster topics and/or talk abstracts by **February 15** to

bees@drexel.edu with subject “Research Day” to sign up and receive printer payment codes.
